Philosophy Talk

Philosophy Talk is radio that celebrates the value of the examined life. Our two philosopher-hosts invite listeners to join them in conversations about a wide variety of issues, ranging from popular culture to our most deeply held beliefs about science, morality, and the human condition. Philosophy Talk is presented by Ken Taylor and John Perry of Stanford University. Six programmes

(1) Cyber-Activism

Whether it's making donations and signing petitions online, or using social media to highlight political causes, cyber-activism has never been easier. With a few clicks, we can make our voices heard around the globe. But who's listening, and is anything actually changing? Does cyber-activism mobilize real-world action on the ground, or does it reduce

political engagement to simple mouse-clicking and ultimately threaten the subversive nature of change? John and Ken get active with Lucy Bernolz from the Stanford Center on Philanthropy and Civil Society, co-author of *Disrupting Philanthropy: Technology and the Future of the Social Sector*. Recorded live at the Marsh Theater in San Francisco (*Ben Manilla Productions*)
