Song: Mirror of the World

Thirteen programmes that explore classic song, poetry set to music, as a prism for understanding culture and history Presented by Thomas Hampson

(7) After Wagner

This programme illuminates a cultural world living in the shadow of Richard Wagner, and throws light on how a generation of composers responded to him. We also explore the influence of broader currents, from anti-Semitism to feminism to industrialisation, and conclude in the late 1890s with riveting songs by Arnold Schoenberg and Hugo Wolf (*WFMT*)

8:00 Music Alive
