Thirteen programmes of live performances from artists recorded at the Festival held in New Plymouth last March
Public Service Broadcasting
(7) A live performance from English electronic soundscape duo Public Service Broadcasting. On their first visit to New

Zealand, founding member, soundscape composer and guitarist J Wilgoose Esquire and his drummer, Wrigglesworth, delivered an impressive multi-media show featuring material from their two albums. The duo have established a reputation for searching out old British and American films, wartime propaganda reels, documentaries and crackly radio broadcasts and legally sampling the dialogue to create their own distinctive homage to the past, re-contextualized for a contemporary audience (*RNZ*)
