**1:10 Outside Voices, by Elspeth Sandys**

Conflict in the Middle East sparks unwanted memories for an old man and changes the lives of his family forever

**2:05 BBC Reith Lectures: The Future of Medicine**

The Idea of Wellbeing: In the fourth and final lecture Dr Gawande argues that medicine must shift from a focus on health and survival to a focus on wellbeing - on protecting, insofar as is possible, people's abilities to pursue their highest priorities in life. And, as he will suggest from the story of his father's life and death from cancer, those priorities are nearly always more complex than simply to live longer (F, BBC)

*BBC website for this programme*

**3:04 A Short History of Story**

Noah Richler traces the development of storytelling from the earliest creation myths through to today's online gaming and the recording of our personal lives by way of social media. In this programme we look at how creation myths and epics in the 21st Century continue to be part of our experience of storytelling, and that through computer games and social media people assume different identities - hero, villain, warrior and peacemaker (F, BBC)

**4:06 Sunday 4 'til 8**

A selection of special interest programmes, including:

**4:06** The Sunday Feature: A Place to

Live

Imaginative and committed New Zealanders share their vision of the life worth having (3 of 4, RNZ)
