**Editing Our Genes: Fertility and Human Reproduction**

Kim Hill is joined by bioethicist Josephine Johnston, Director of Research and Research Scholar at The Hastings Centre (the world's oldest bioethics research institute), and a panel of experts including Mary Birdsall, Māui Hudson, and Andrew Shelling. Together they to explore the implications for human fertility and reproduction of gene editing technologies. This is the second in a series of four public discussions recorded around New Zealand, in association with the Royal Society Te Apārangi.

**5:00 The World at Five**

A roundup of today's news and sport

**5:11 Heart and Soul**

**Underground Islam in Italy**

Italy is home to the fourth largest Muslim population in Europe, but unlike Christianity and Judaism, Islam is not recognised in Italy and there are only eight officially recognised mosques. A recent government crackdown on the estimated 2,000 makeshift 'garage' mosques across Italy has led to mass protests. Helen Grady visits the officially recognised Great Mosque of Rome, Europe's largest mosque. Speaking to its Imam, he tells her that since February he is now being told he needs to preach his sermons in Italian even though no other religious group is made to do this. (BBC)

**5:40 Te Waonui a Te Manu Korihi**

A round-up of the Maori news for the week with our Te Manu Korihi team (RNZ)
